

WHY JOIN PROJECT GO?

UMD's Project GO Program offers a fully-funded opportunity for ROTC students to learn a vitally important language through innovative, intensive domestic and overseas language instruction. The goal of Project GO is to help students reach an International Language Roundtable (ILR) 1 proficiency level of Arabic or Persian, giving them the skills they need to interact across cultures in future military contexts.

SCHOOL OF LANGUAGES, LITERATURES, & CULTURES

PROJECT GLOBAL OFFICER (GO) is a Department of Defense initiative that promotes critical language education, study abroad, and intercultural dialogue opportunities through fully-funded language study for ROTC students. The U.S. military needs future military officers who possess the necessary critical language and cross-cultural communication skills required for effective leadership in the 21st century operational environment.
